Sir,

I have the honor to forward herewith for orders of Government correspondence ending with the Kadur Amildar's report No 124 b.

2. One Chelluvaya of Devanur has applied for cultivation, survey No 90 measuring 1—32 assessed at Rs 2-8, of the Devanur village, the land is situated within the limits of half a mile from the Devanur Railway Station.

3. I having reported that there were some date trees on the land, Mr Narasimhaiah, the Asst. General Assistant Commissioner inspected the land and reported that the land is low and not suitable for Railway or public purposes, besides being too near and marring the revenue for growing toddy trees.

4. The Amildar has given a favorable hearing himself to give up the

the land without compensation, should it be hereafter required by Government.

5. Under these circumstances, I solicit the sanction of Government to a lease of the land for cultivation under the Rules.

6. A sketch map is enclosed.
